

## **REMINDER County Health Requirements:**

All Food Vendors must follow the guidelines and requirements from Ventura County Environmental Health.

### **You are responsible to provide your own self-contained sink!**

The Fillmore Chamber of Commerce will not be responsible for providing sinks to the Food Vendors. If you are renting a sink please be sure that it meets the Ventura County Health Requirements and Guidelines! As part of our Application process you must confirm with the registration that you have your own sink or have already rented one.

If for some reason you do not meet the Ventura County Health Requirements or the May Festival's Committee requirements you will not be allowed to operate on Thursday, May 15<sup>th</sup> 2008. If you are in doubt or unsure of anything Please feel free to give Martha Ramirez a call at the Ventura County Environmental Health office at: (805) 654-2813 or check their website at: [www.ventura.org/env.com](http://www.ventura.org/env.com)
